Mrs Lamb.
Is a very kind and
wonderful person who
has deserved this
dedication for a long
time. In the future
years I hope you
will recall this year
as a year of happiness.
Thank you for helping

others so much. I wish
you all the happiness
in the future.

Dual Dedication for

Through the past years many students have come and gone from Cowan and each has benefited in some way from Mrs. Jeffers and Mrs. Lamb. In all phases of school life they are eager to help everyone in any way they can. Their pleasant smiles and warm friendships are there for the asking.

For the devotion and kindness they have given to the students, faculty and community, we proudly dedicate the 1969 SACHEM to Mrs. Rosella Lamb and Mrs. Lois Jeffers.

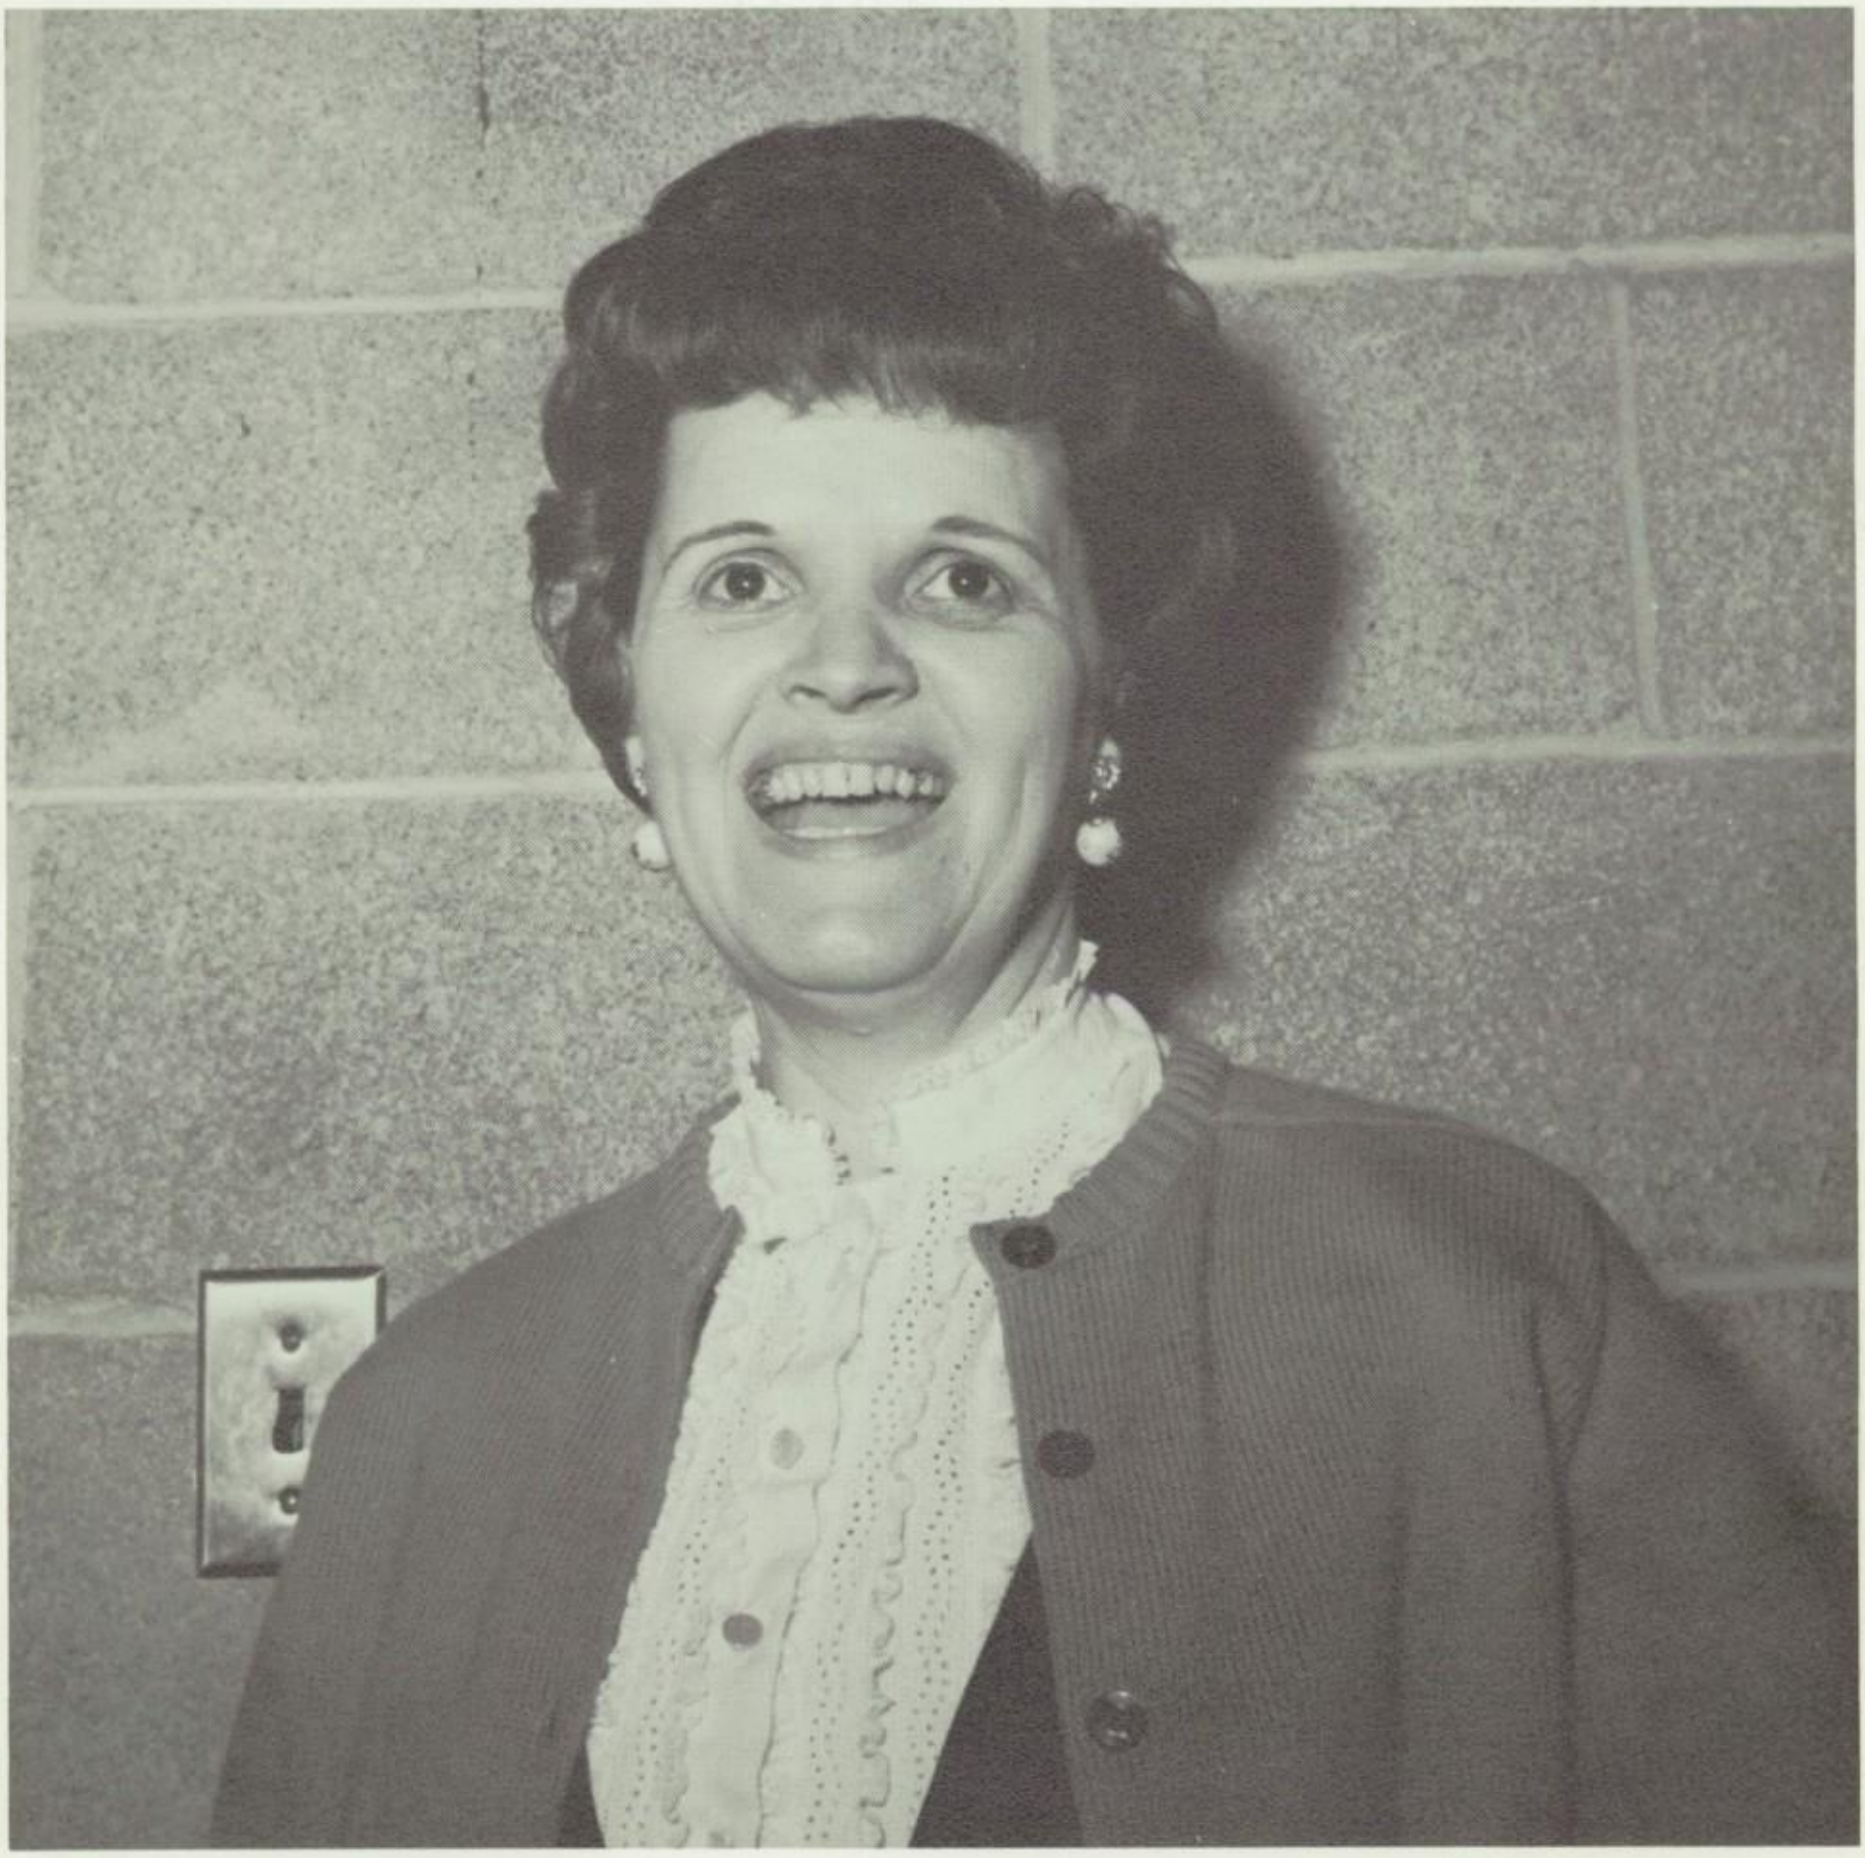
Outstanding Service



Your Treasure Chest

Make for yourself a treasure box,
But not for gems and gold–
Fill it with things more rare and fine,
As full as it will hold.

Into it place your kindly thoughts,
Your love, your tenderness,
Your joys, your charity, your hopes,
Your faith that God will bless.

And then when dark days come along
And your bright prospects mar,
Open the treasure box and see,
How very rich you are!

Cowan Has Three Representatives at Boys' and Girls' State

"We are not fully educated unless we have knowledge and knowhow. We learn by doing."

Boys' or Girls' State is an exciting experience for any person chosen to go. They are held on the Indiana University campus in June for the purpose of teaching young people the governing process of Indiana. By participating in campaigns and elections, from local primaries to state conventions, the delegates not only learn, but meet many new people. An unforgetable experience for three lucky Cowan seniors.

Student Librarians Learn Through Experience

Books, magazines, audio-visuals and bulletin boards help to make up the responsibilities of the student librarians. Each librarian, although an individual, is dedicated to help make this mass project work. A period a day is all they give in return for invaluable information attained about the library. Under the direction of Mrs. Lois Jeffers the librarians help students and faculty members in their own search for knowledge.

Ten New Members April 16.

The National Honor Society is the highest honor that can be bestowed upon a high school student. Scholarship alone cannot entitle a person to membership in the National Honor Society. With scholarship must be added leadership, character and service.

An Honor Society member is willing to take part, become involved, and represent his school well, while keeping his grades above average.

Cowan's Industrial Arts Club Develops Skill and Creates Interest in This Field

This was the first year for the Cowan Industrial Arts Club. Under the direction of Mr. Charles Shortridge and Mr. Donald Deetz, the club took field trips to increase each person's knowledge of the possibilities for careers in Industrial Arts. The department bought a printing press and the club printed many things like the invitations to the Junior Senior Prom and the Honor Society Banquet.

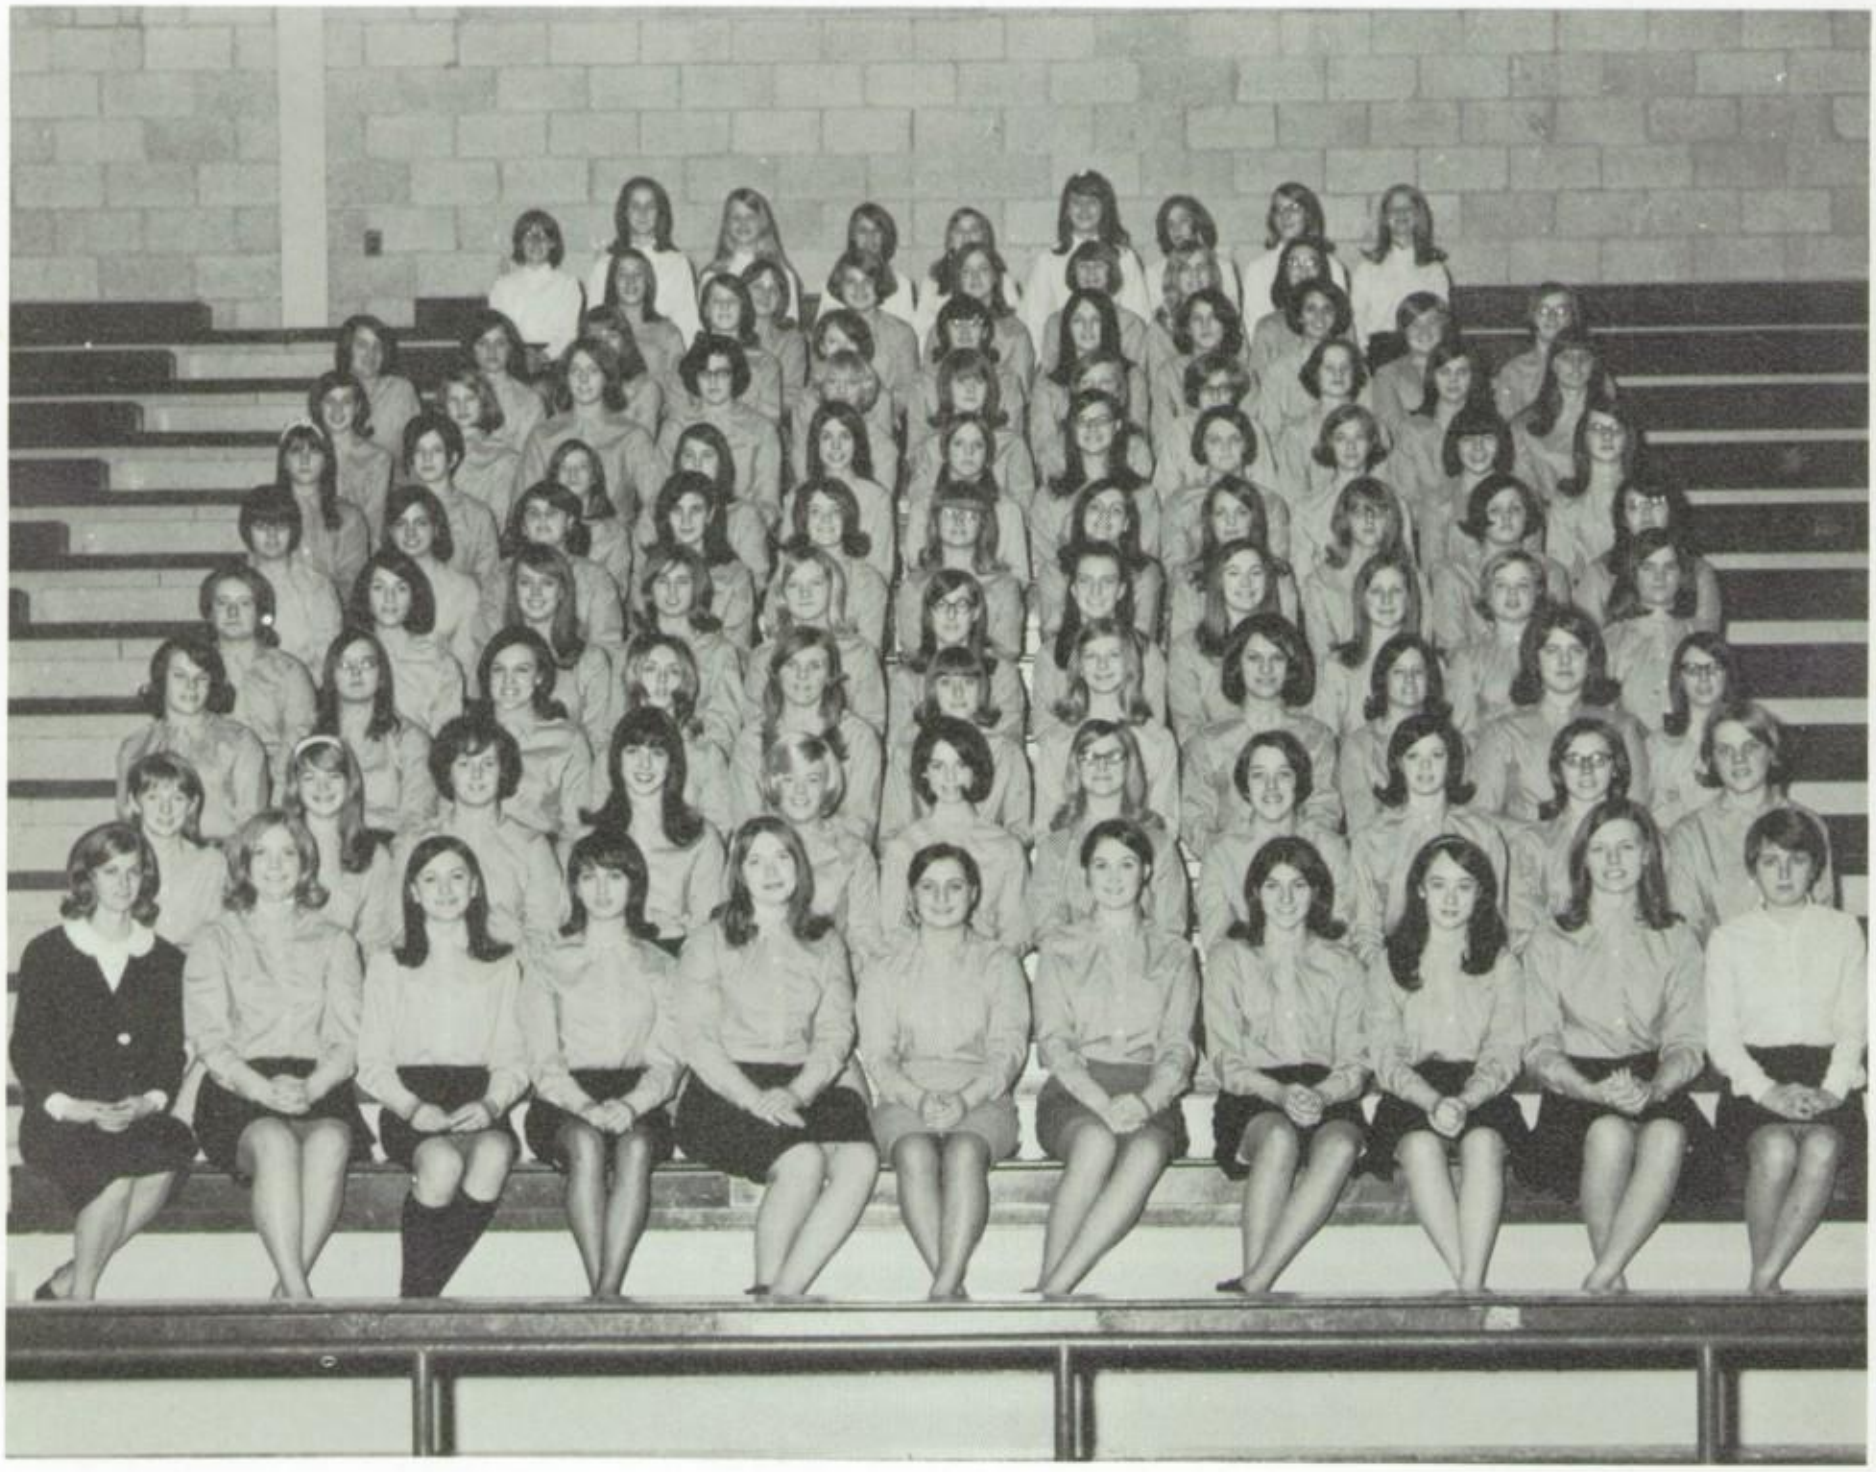
The Spirit of CHS



The dauntless spirit of the pep club paced its team to victory and consoled the team after loses. Its spirit was contagious and an inspiration to any school. The drive and enthusiasm of this club proves that the pep club is a team whose victories are won in bleachers.

Stirring up a little spirit, Brenda Green drives the Delta team to the County Tourney.

Man strives for glory, honor, fame,
That all the world may know his name.
Amasses wealth by brain and hand;
Becomes a power in the land.
But when he nears the end of life
And looks back o'er the years of strife,
He finds that happiness depends
On none of these, but love of friends.

830 HOYT AVENUE

For the proud "papa"—Larry Glaze, Our faithful Paragon Representative.

I would like to thank the Sachem Staff for their hard work through the frustrations and satisfactions of producing the 1969 Sachem. Special thanks go to Mrs. Shesler, Jan Konwerski, Julie Marcus, Kathy Starkey, for without them the '69 Sachem would not have been produced. Jerry Telford, thank you for getting the greatest photographs I have ever seen in a high school yearbook.

I sincerely hope that each time you look through the Sachem, you will recall the dreams, the triumphs and the realities of 1969.
